This dossier consolidates data sourced directly from Japanese auction inspectors at the time of each auction event. Mileage, grade, condition notes and photographs reflect the vehicle's state at the moment of inspection and have not been altered. AuctProof acts as a data aggregator and does not warrant accuracy beyond what is reported by the originating auction house. Report identifier NZE141-6048723 · issued 22 Nov 2026 09:28 UTC.
